

Quality ELT Centres

Recognised for their outstanding
commitment to quality outcomes

**Become endorsed by NEAS Australia, the leading
quality assurance specialist in education and training.**

NEAS Quality Endorsement is achieved by ELT Centres who demonstrate their quality through NEAS' rigorous quality assurance processes. NEAS Quality Assurance relies on a stakeholder-driven feedback model informed by input from students, teachers, marketers and administrative staff. NEAS' Quality Endorsement is grounded in the NEAS Quality Assurance Framework, the standards that providers are guided by in setting their quality goals.

The benefits of endorsement include:

- Receiving regular health checks for your centre
- Receiving 360-degree feedback from NEAS staff, student surveys and focus groups
- Ongoing Quality Review activities including Quality Review Visits, Scaffolded Self-Assessment and Document Review and Evaluations
- Regulatory audit support and preparation
- Access to professional development for staff via the NEAS Online learning platform which has over 150 courses, webinars and masterclasses covering all professional development areas
- Membership benefits such as discounted ticket rates for the NEAS Management Conference, promotion opportunities that reach over 10,000 ELT stakeholders in our database and having your centre listed in a dedicated area on the NEAS website (which receives 750 views a day).
