

Valuable workshops, online professional development and guidance for you and your team

NEAS Online offers a range of over 150 courses, webinars and masterclasses to build the knowledge and skills of all staff in the ELT community.

- **Core courses:** Relevant to managers, teachers and professional staff in the ELT community, anywhere in the world. Aligned to the NEAS Quality Assurance Framework, these are modular and self-paced activities featuring videos, readings, quizzes and focussed tasks
- **Specialisation courses:** Provide specialised information and insights into an area of quality ELT practice
- **Master Practitioner in ELT course:** A specialist course for the experienced ELT professional who is working, teaching or studying in the ELT field and who demonstrates the application of quality assurance principles to an area of interest and specialisation
- **Webinars and masterclasses:** Hear from industry experts sharing tools and approaches to teaching, learning and assessment practices. All content offers practical professional development in areas which align to the NEAS Quality Assurance Framework
