About ReadyTeacher

Our Vision

ReadyTeacher envisions a future where the international education industry experiences a paradigm shift towards a sustainable and collaborative approach. Our vision is to be at the forefront of this transformation, contributing to a more inclusive, accessible and innovative recruitment ecosystem.

What We Offer

Our primary goal at ReadyTeacher is to modernise the international education sector by providing a platform that connects quality teachers with esteemed institutions delivering the following course types:

- English language (ELICOS)
- Certificate and Diploma (VET)
- Digital skills
- Early Childhood Education & Care (ECEC)

ReadyTeacher streamlines the recruitment process for education managers, offering Emergency Teachers (ETs) and short-term instant hires, thus providing a faster and more efficient alternative to traditional methods like Seek.com.

Furthermore, through our Employee Trial Period, we are committed to reducing casualisation in the industry by promoting direct employment with our member colleges. By functioning as a recruitment funnel and instant shortlist with interview scheduling, ReadyTeacher strives to inspire commitment, passion, and relationship-building among teachers.

Our Values

Day to day, ReadyTeacher serves as the education sector's go-to for teacher replacement. We recognise the critical need for quality lessons, positive student feedback, and an easy-to-navigate education technology (EdTech) offering. By understanding and addressing these needs, we continuously strive to be a reliable partner for institutions seeking excellence in international education.

Helpfulness: Our team is committed to providing value at all interactions with our users. We pride ourselves on supporting qualified teachers who are newly-arrived to Australia, providing safe workplaces, cultural understanding and an induction to the Australian workforce and way of life. We support teachers to improve their craft, and managers to free themselves of arduous recruitment tasks in order to free up their time. Our intention is to give a step up, a push forward, and a kickstart to all our members.

Transparency: At ReadyTeacher, we value transparency in all our interactions. We believe in providing education managers and teachers with clear and honest feedback to foster trust and collaboration and encourage training opportunities.

Efficiency: Our platform is designed with a focus on efficiency, ensuring a streamlined and rapid recruitment process. We understand the importance of time in the dynamic education sector and aim to expedite the hiring process for our clients and make it faster for teachers to get working.

Contribution to Community: We are dedicated to building a sense of community within the education industry. Our emphasis on collaboration and inclusivity extends beyond the recruitment process, contributing to a supportive and connected professional network. We are committed to playing our part in the continued success of our sector.
